

Terms and Conditions

Excel Tuition will be delighted to provide education and support to your child subject to you agreeing to the following terms and conditions.

1. Parents and children will be committed and enthusiastic about their child's learning and development.
2. Parents and teachers will work together to develop their child's learning in matters of homework, punctuality, behaviour and the like. Parents will be responsible for ensuring their child's homework is completed before the commencement of the next lesson.
3. Parents will recognise the importance of their child's regular attendance to class in order to progress. To this end they will ensure their child's attendance is regular and punctual.
4. If a child needs to miss a lesson, parents are required to complete and submit an **Absence Form**, authorising their child to receive cover work for the missed lesson. **No refunds are issued for missed lessons.**
5. The cost of the lessons will be paid **one month in advance at the start of the month**. This is to ensure that those parents and children who are committed are given priority as class sizes are restricted. **Students will not be allowed to attend any lessons that have not been paid for in advance.**

11. Progress reports will be provided to parents at the end of each term.
12. On completion of a course your child will be automatically moved to the next course, unless we receive notification from you that you wish to end the tuition (see clause 15). Consequently, you understand and agree to be charged the price that is applicable to the new course.
